EXPERIENCE

DECEMBER 2017 - PRESENT
SOFTWARE DEVELOPER General Dynamics IT | Columbia, MD

In ServiceNow, I develop applications to assist with a variety of contracts. I also work internally in ServiceNow to improve our agile development process. I've worked closely with clients to gather requirements and build the Service Catalog and Service Portal in ServiceNow.

NOVEMBER 2016 - OCTOBER 2017
SOFTWARE DEVELOPER Everseat | Baltimore, MD

Using the agile development process, I worked on the front-end and back-end of a web application. Programmed in Ruby on Rails and Ember javascript framework. Used Git for version control.

EDUCATION

MAY 2016
B.S. IN COMPUTER SCIENCE Towson University

With a concentration in Software Engineering, my coursework focused primarily on development techniques and methodologies. Class projects completed include:
- Rom Gamer Connection Website
- Lol Code Compiler Java App
